## From the Desk of NSNA President

April 2008

Dear North American Nagarathars,

On behalf of NSNA 2008-09 committee we thank you all for the opportunity to lead NSNA for the next two years. It is an honor and privilege to serve our Nagarathar Community. We have a very highly motivated team in Texas and will continue the legacy.

We wish to express our sincere appreciation for the Detroit team under Mr. Sam Sadaps. Every committee has taken great efforts to stream line the growing organization and introduce professionalism. Each member has contributed enormous sums of their own personal money to the day-to-day operations of the organization, so that all the donors' contributions are spent on charitable purposes. We have seen Nagarathars reverence to Podhu Panam in all their actions. We will take every effort to follow their foot steps.

NSNA will continue the tradition of holding quarterly telephone conference calls with all the regional representatives. On a periodic basis we will have conference calls and town hall type meetings with all the regional groups. Presently we have 18 regions and 800 + families. NSNA will take your input very seriously and work for the common good of our community.

By now you all would have received our US post survey request. I kindly request that you take a few moments to reply back on the survey to us. We understand that some of our nagarathars are not receiving the NANAL and we get several returned NANAL due to incorrect address. Please take this opportunity and update your address using the survey form, so that you can receive NANAL. We will also make sure that one of our committee volunteer follows-up with you regarding this survey.

Nanal will still be our main communication media. We also plan to use the web media. [www.achi.org](http://www.achi.org), to provide you with timely information on demand. As always, we encourage you to make charitable, tax-deductible contributions to the greater causes of Education, Marriage assistance, Health and Humanitarian efforts, including religious activities. We will provide details of the efforts and goals for each of the committees in the upcoming NANAL issues.

We are working closely with our Nagarathars from all other regions who are willing to participate in our Organization- we encourage every Nagarathar to participate.

Once again we thank you all for giving us this once in a life time opportunity to serve our community. May God bless us all with good health, happiness and prosperity in this coming year
