2008 NSNA Life Membership Drive

Dear Nagarathars,

We are very excited to present our NSNA Life Membership Drive Program to you. Our youth committee would like to use this opportunity to help the poor back at home while increasing the number of NSNA's Life Members.

By joining NSNA, you can help our under privileged fellow Nagarathars in India on their education, marriage and humanitarian needs. By supporting the youth through this Life Membership Drive, part of your contribution goes towards providing basic schools supplies for the less fortunate youth in our Chettinaad villages.

For enrolling a life member in NSNA, the youth can get a referral incentive of \$25.00 for each life member they bring in towards the NSNA Youth Activities. The youth will also be recognized in Nanal and in achi.org web site.

Membership forms are located in
http://www.achi.org/achi/memberservices/memberservices_home.shtml

Our Target is to add another 300 to 400 new life membership this year. This would approximate to around 10 to 15 new life members per region. We are requesting that the regional representatives help our Youth Committee coordinate this activity with the youth in their respective regions.

Please contact any Executive Committee member with names of youth in your region interested in helping or if you have any questions.

Regards,
2008-09 NSNA EC Committee and Youth Committee
